## The Kanata Collection™

Combines style, durability and environmental friendliness. Polyurethane insulation is foamed in place, which ensures a consistent density and significant panel strength. With a 1-3/4" (44.50mm) thickness, R-value of 16.3, enhanced tongue and groove joint and a true thermal break, the Kanata Collection™ is an excellent choice for those who are looking for a high-quality, energy efficient residential garage door.
